Cancer 101 was written and published by the **National Cancer Institute** in conjunction with the **Mayo Clinic**. It was updated in 2008 and will be revised 2011. Sponsored by **MT Comprehensive Cancer Control Program**

**Cancer 101 consists of 7 separate modules.**

1. The Growing Health Concern of cancer among AI/AN's
2. What is Cancer
3. Cancer Screening and Early Detection
4. How Cancer is Diagnosed
5. Cancer Risks and Risk Reduction
6. The Basics of Cancer Treatment
7. Support for Patient and Caregivers

**These presentations are free of charge**

And can be booked by contacting Art and Rita McDonald at the Ashland Community Health Center, Ashland MT, **406-784-2346** or email at [barmqh@yahoo.com](mailto:barmqh@yahoo.com) or [ritamcd@rangeweb.net](mailto:ritamcd@rangeweb.net)

Art is an enrolled Oglala Lakota Sioux and Rita is a colon cancer survivor. They make their home on a ranch 10 miles SW of Lame Deer, MT on the Northern Cheyenne Reservation and are happy to share their knowledge. They believe in the emphasis on personal responsibility for men's health not only for the individual but for the family and community as well.
